The last days that I spent in Japan was with the Ikeda family. They were really nice, very kind and welcoming. I really enjoyed spending time with them. I had a lot of fun making candy with their daughter and helping with the Christmas dinner. They took me to a lot of interesting places and always asked me if I had any requests. Trips were always fun, & my favourite was the one where we went to a Digital Art museum. I also had fun & walking around the city.

I am very thankful for their time and hospitality. They made my stay in Japan very nice and I would love to come back some~~th~~ time in the future!
